The review we gave of the state of affidis mour issue for the last steamer, which left hero for Panama on the 1st jastant, showed inquiry for satisfile goods was setting in, and that the state of affairs generally was in a satisfactory condition.

Many articles of importance, although the stocke are abundant, such as mees Pork, Bester, Cheese, and other articles of this description, meet with a ready sale, for at tenst three times their value at the port from which they were slopped.

Many other orticles are at the lowest point of value, in consequence of an uncannal importation, which the wants of the camacity do not require.

Place -The most important article in our market, notwithstandingt bravy stock on hand, maintains firming, and it the absence of importations, will some advance in price-The stocks of lumber which have ac-

enmolated in our market, lave rendered the value almost nominal. It will take some time to dispose of the quantity on hard, without taking into account the im ports that may be expected.

Real estate less ful en to a least one third of its former value, and ther are very few operations even at that. Rets have good down in an equal ratio, and all have to go still lower to bring them on par with rents and the value of labor in oter places, and a is the sturdard to which ney must ultigrately course.

The accounts from the mixing regions are very som-factory, and its believed that of it ese employed in these operations, the majority

St. Lovis Thursday, May 23. A Government train of 21 loaded wagons arrived at Fort Leavenworth from Santa Fc. The train made the journey from Santa Fe to the Fort in the chort time of

Among the company is Col. Washingon, Ex-Governor of New Mexico, Col. Beele and son, Captains Bunt and Judd, and Lieut, Williams.

The party mer a large number of cinigrants near Council Grove.

There was little or no grass on the Prairie, which caused much distress among the conigrants, as most of their animals had given out for the want of food.

A large number of the inhabitants of Santa Fo were preparing to leave for Califorpia as soon as the season would permit.

The Minnesota Register of the 15th records another ladian marder near For-Smelling. It appears that a large party of Chippewas crossed the rive , and falling on a party of Smax, a light caseed in which one of the latter triba was killed, and severalon bah sides wounded. Both puties seem determined to carry on a regular warface, and there is no telling where it will

Thirteen of the Sieux tribe recently engaged in the murder at Apple Creck, have been given up at Fort Sacling, but were subscipicatly liberated on parole.

The new Presbyterian Church at St. Paul's, Mannesota, was destroyed by fire on Friday week.

The Western Reporter of last Saturday, contains a letter from S. McAdam, of Wcston, specing that the choiera had broken out among the California emigrants

A Jetter dated Camp Grasshopper Creek, fifty to be tout, 9th of May says: "The Cholera has broken out in the train of Dr. Clark, and greated much alarm. C. H. Moore, of Mulfood, 10, lead died, and two others were expected to die in the course of twenty-feer hours-one other, who was seriously attacked, is fast recovering. I am fearful that this awful disease will extend.

The Marshall train, compered of about 60 emigrants, when last heard from were traveling very slowly. The grass was barely sufficient to subsist the oxen. All well.

PRO OMNIBUS Bino.-The Americon Aubassador, on returning thanks for his health at the Mansion House, said on Easter Monday, that "when the loving cup went round, he drunk for twenty-two millions of his countrymen." Thereport says " Drunk with all the honors;" and really, after such a draft as that, we do not wonder at it. But suppose every Ambassador drank to the have to provide drink for all the world! A Mansion House dinner would be quite "an exhibition of the drinking industry of all nations, "- "Punch,

A Long Prayrn -- A Maniac's Freak.-On Tuesday night, 9th inst., a person was committed to jail in Northampion, Mass., and placed in a room with a maniae, who had been confined there temporarily, previous to his being taken to the Insane Hospital at Brattlehoro'. After the new comer had "turned in" for the night, his crazy chum ordered him up, told him to dress himself, and then make a prayer, or he would choke him to death. There was no way but to obey, and after making what he supposed to be a sufficiently long prayer, he stopped. His inquisifor told him to keep on, and he actualty kept him praying all night! The poor man was not relieved until the jailor carried in his breakfast.
